I request and authorize the City of Grand Coulee to direct the billings for utilities furnished and/or services delivered to my property to be delivered to a tenant or other third person. I understand that it is the intent of the city that all utility deliveries, whether water, sewer, garbage or some combination thereof, are a claim against the property and a claim against the owner of that property. I agree that it is my responsibility to determine the extent of utility services and deliveries being made and/or furnished to my property and that it is my responsibility to pay all claims, charges, penalties and/or costs imposed by the city for the furnishing of utilities to my property.

I understand the City bills my tenant as a courtesy to me, and this request in no way constitutes a contract between the tenant and the City. I understand the City is not party to the contract between my tenant and myself.

I understand that a lien will be placed against the property in the event of non-payment. This agreement is valid until replaced or revoked by me in writing.

I authorize the City to take the following action when my tenant/s ask to have the utilities taken out of their name:

TURN WATER OFF

LEAVE WATER ON AND BILL ME FOR APPLICABLE CHARGES

I have been advised by the City that replacement of city provided carts and/or containers necessitated by loss due to customer negligence shall be at the property owner's expense. I have also been advised that the charge for cart replacement is \$50.
