

City of Grand Coulee Planning Agency Meeting

March 09, 2022

Started: 5:33 PM – Available in person and via zoom.

Attendees: Alan Cain, Gary Carriere, James O'Hara, Nic Alexander, Andrea Schumaker

Nic Alexander mentioned he may resign from his position on the Planning Agency but stated he would be in attendance for at least next month's meeting.

Revising, simplifying, and/or deleting code was discussed, but all attendees agreed they needed more guidance from City Council, on what exactly they were wanting.

Current tax parcels were reviewed. Nic volunteered to go through the current list and mark off the obvious parcels that the City of Grand Coulee would not like to sell, but agreed to wait until after council, to get further direction from them. The members of the planning agency would also like to see discussion at the next council meeting of Dennis getting involved for assistance with parcels that may have right of ways and easements that the city would not be willing to sell.

Meeting adjourned at: 5:52

Alan Cain – Chairperson

Andrea Schumaker - Secretary
